

Sale Name: July 22nd, 2025 Online Only Consignment Equipment Auction

LOT 5 - Absolute / Reserve Items

Description

If an item is listed as being "Absolute" this means it has no reserve whatsoever and will sell to the highest bidder regardless of price.

All other items in all of our auctions are presumed to be sold with reserve unless otherwise stated.

We give all of our consignors the opportunity to protect their investment.

Not all items have reserves and not all reserves are published. If an item is relisted in a future auction usually it is simply because it did not meet reserve in the previous auction event.
